

INLINE® MAGNETIC SMARTPHONE TRIPOD

& selfie stick, Bluetooth remote control

- **Magnetic smartphone holder** for MagSafe compatible devices and universal clamp for all smartphones with a width of 50 to 88 mm
- **Rugged construction** made of ABS, polycarbonate and aluminum
- Infinitely telescopically extendable **from 34.5 to 150 cm**
- **Wireless freedom:** integrated Bluetooth remote control compatible with iOS and Android devices for wireless triggering
- **2-in-1: Selfie stick & full tripod** with sturdy tripod base;
- **Time-lapse recordings made easy:** Can be used as a tripod – e.g. for sunsets or plant growth.
- **Selfie stick for content creators:** Ideal for vlogs, social media stories or vacation photos – stable hold thanks to magnet or clamp and wireless recording via Bluetooth.
- **Lightweight & mobile:** 363 g light and 31 cm small

The InLine® magnetic smartphone tripod with telescopic extension is a versatile solution for professional users who place high demands on flexibility and mobility. The 2-in-1 design combines a high-quality selfie stick with a sturdy tripod including a three-legged base, providing the ideal conditions for video and photo shoots on the go or in the office.

Thanks to the magnetic holder with ball joint, compatible smartphones can be securely attached in portrait or landscape format. For devices without MagSafe or comparable technology, an adjustable universal clamp (for 50–88 mm wide devices) is also available. The extendable telescopic aluminum arm reaches a maximum height of 1.50 m and ensures flexible positioning - whether for presentations, technical documentation or live streams.

The supplied Bluetooth remote control is a particular plus: it can be paired wirelessly with Android or iOS end devices (Android 4.2.2 or iOS 6 or higher) and enables uncomplicated, remote control of photo or video recordings - ideal for individuals or small teams in the field or during training sessions. The CR1632 battery is already included.

The low weight and compact design make the InLine® tripod the ideal companion for mobile use – whether in a support vehicle, in event technology or in a presentation case.
