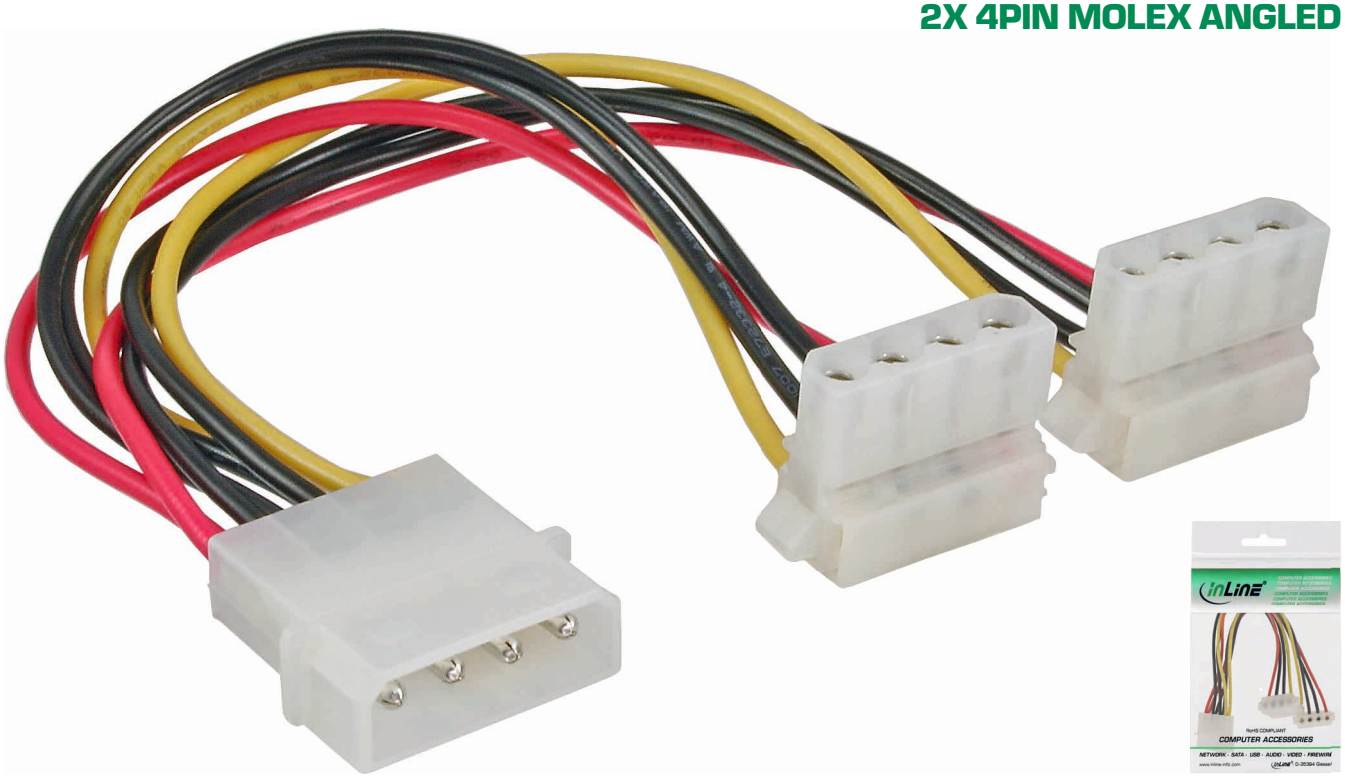
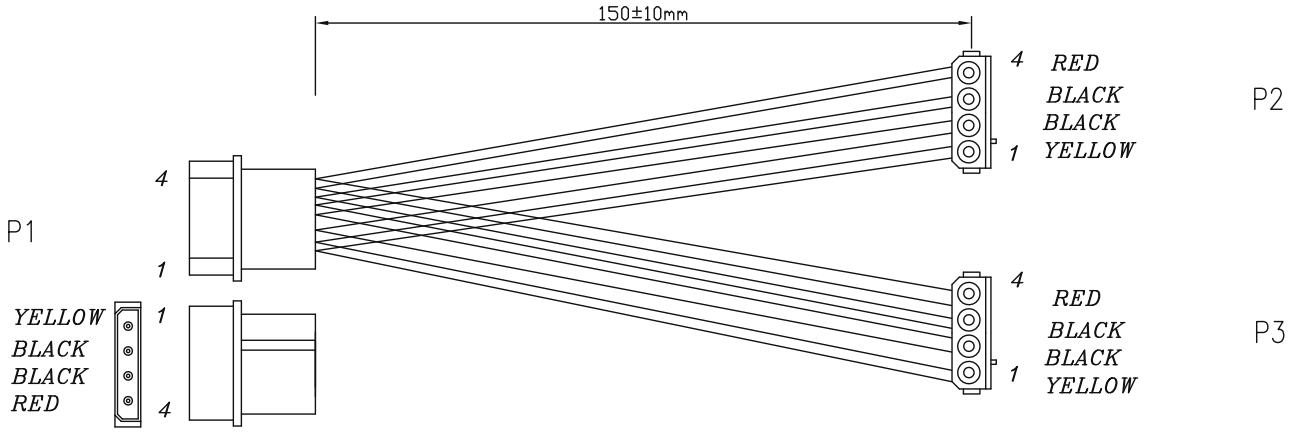
# INLINE® INTERNAL POWER Y-CABLE 1X 4PIN MOLEX / 2X 4PIN MOLEX ANGLED





This Y-Form splitter cable allows you to power two HDDs and/ or optical drives with a 5.25“ (13.34cm) Molex power connector using a single standard output from a 5.25“ (13.34cm) ATX power supply. The 90-degree angled female connectors make it easy to install in the device and organise wiring inside the case.

- 5.25“ 4pin male (ATX Power Supply) to 2x 5.25“ 4pin female (HDD/DVD)
- Female connectors 90-degree angled
- Wire AWG 18
- Length: 0.15m
