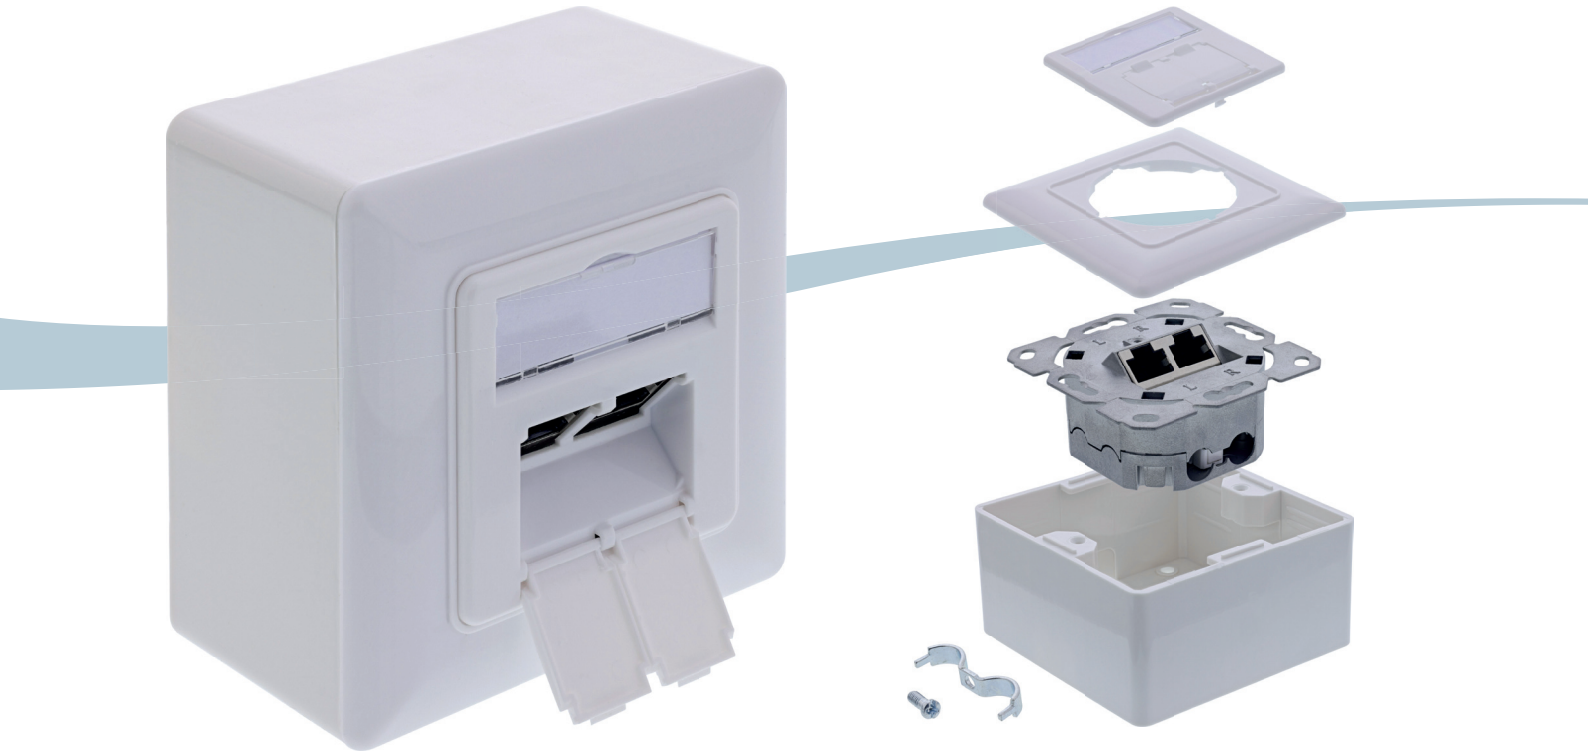
INLINE® CAT.6A SOCKET

2x RJ45 jack, RAL9010, white



The Cat. 6A connection box with 2x RJ45 jacks can be mounted either on or in the wall and has two LSA terminal strips, each with 8 insulation displacement contacts. The cable can be routed to the box either horizontally or vertically, making it suitable for universal use, such as installation in cable duct systems, flush-mounted installation in drywall construction or surface-mounted installation on the wall. The connection box is fully shielded.

- Cat. 6A surface-mounted outlet
- 2x RJ45 jacks, 2x 8pin LSA terminals
- Cable entry from above/below or right/left
- Completely shielded
- Colour: white RAL9010
