INLINE® ASSEMBLY SPANNER

for solar connectors (MC4 / PV4), set of 2

The InLine® assembly spanner set for solar connectors (MC4 / PV4) is the practical solution for quick and safe installation of solar plug connections. The set includes two high-quality spanners that have been specially designed for the reliable tightening and loosening of MC4 and PV4 connectors. The robust construction, made from durable material, ensures high stability and a long lifespan. Thanks to their handy design, the spanners are easy to use and ensure efficient installation of solar systems. Perfect for professionals and DIYers alike.
